I spoke to the complainant, Maegan Payne who stated that she was dropping off her child at East Brainerd Elementary School and parked across the street at a car wash so that she did not have to wait in the car line.

Ms. Payne stated that she dropped off her child and was walking across Julian Rd with her boyfriend when she stated that a white Honda Pilot suv began to speed up and the driver honked the horn and revved up the engine and almost hit her.

Ms. Payne stated that she saw the vehicle pull into the car drop off line of the school and got a teacher and confronted the driver of the Honda Pilot. Ms. Payne stated that the driver was very angry toward her and sped away making Ms. Payne mad so she "flipped her off" and then went back to her vehicle and left the scene but came back to file a report.

I spoke to the driver of the Honda Pilot, Ruby Coffee who stated that she turned onto Joiner Rd from E. Brainerd and was not traveling fast when she observed a male and female walking slowly across the roadway. Ms. Coffee stated that she went to drop off her grandson and the female that was walking across the roadway approached her vehicle and started telling her that she needed to pay more attention and flipped her off.

I spoke to a witness, Mrs. Rector who stated that she was outside when she observed two people walking across the roadway and observed a white vehicle traveling on Joiner Rd. Mrs. Rector stated that the vehicle honked the horn but did not appear to be traveling very fast and said she did not hear the vehicle rev up the engine and it did not appear that the driver was attempting to hit anyone.

A tall skinny black male appeared in the doorway and once he noticed Police were at the door, attempted to slam the door closed on Officer Batterson. At that time, Officer Batterson blocked the door and noticed the male reaching behind the door. The male was placed at gun point and gave orders to show his hands. On the third order the male complied and came out of the house with his hands up. Once outside the male quickly threw, what he later admitted to being a blunt of marijuana he was smoking, out in the yard. The male was identified as Keyshawn Kidd (09/27/1996) a known associate of the Grape St. Crips. The mother, Ms. Kelleanna Jarret (04/24/1978) came on scene. During the sweep, in plain view, a silver and black pistol with an extended magazine was observed on a table next to the couch behind the front door where Mr. Kidd was reaching when contact was made. For safety reasons Police cleared the weapon which had a round chambered. Based on the noticeable presence of narcotics and the weapon seen in plain view, police obtained a search warrant for the home. Policed searched the home and located the following: In Mr. Kidds room: a SKS Rifle in Mr. Kidd's closet, multiple boxes of ammunition in the dresser drawers, boxes of ammunition in a back pack, .7g of marijuana on the dresser, pill bottle containing hydrocodone with half of the label ripped off, a bottle containing a mixture of unknown pills, multiple weapon magazines, numerous clear plastic baggies consistent with narcotics sales in the dresser, scales also consistent with narcotics sales, and a black ski mask that was rolled up in a dark hoodie with a purple emblem (The color of the Grape St. Crips). Denise stated today she had received a facebook message from a man she knows as Simile Pearson which stated at 1744 hrs " Your son dead bitch lmao". Denise did not believe that Simile was the person sending the messages but was unsure of why it was said. Denise stated she has been trying to get in contact with the homicide working the case in East Ridge (Det Stevenson) but was unable to reach him. Knowing that Reginald was a Rollin 40 crip gang member I had asked if he had been fighting with anyone at the time of his murder. Denise stated that Reginald's father had paid \$1000.00 for someone to talk in which multiple people stated a party named (Nautica Jackson) was the suspect. Denise stated that Nautica had posted on facebook several days ago "try and find me bitches" but had since then deleted his post and facebook. Denise stated that Reginald and Nautica have been best friends and since Reginald's death Nautica has not called or come around, which led her to believe it was him. I was able to get in contact with East Ridge homicide detective Stevenson who was working the case and forward the information given to me for him. I placed Denises' home on the watch list for her safety for 1 month. No further action was taken.
